We are briefing Dave Ross on 404g later this week. Any initial input/thought on the draft outreach plans here? The only thing I'd add is possibly requesting to have discussions at the Oct. 21-26, 2018, National Congress of American Indians Annual Convention and Marketplace in Denver, CO. This is during the time we plan on holding Tribal consultation on the rule making effort.

Like the recommendation for the WOTUS rulemakings I suggest that we request to have a listening session at NCAI, attended by EPA senior leadership, with the additional opportunity for in-person, leader-to-leader consultation.

Hi Andrea, I promised to send you something by the end of this week. Unfortunately, I did not quite make that as I am leaving for two weeks of vacation now.

So, I am sending this version prior to management review. Is this what you were looking for? If so, just respond yes, and we will make any tweaks or revisions here before requesting your formal input. Thank you, Kathy Hurlid

Mindy, Mike, Antonio, Ruth and Dolores, here is an updated version of our outreach plan for your input. Thanks, Kathy
